

HOUSE POLICIES (*Apartment Sol*)

- I. Please lock your apartment door when you are inside. Please close the red door softly but do not lock.
2. No Smoking: by order of NYC fire department. \$250 will be charged for violation of this rule for smoke deodorization of carpet and furniture.
3. Please remove your shoes before entering the apartment. This is our way of keeping the city dirt out of our home.
4. Do not move the furniture. It damages the floors.
5. Please do not flush anything other than toilet paper in the toilet. If several people are using the toilet in succession, please flush it often.
6. Please respect our tenants upstairs and downstairs, and be quiet between 10pm and 8am.
7. The phone is free within the United States. Call us if there are any questions from the house phone.
8. Please be careful with the audio/video equipment and the delicate Shoji screen sliding doors. These are very expensive to repair and replace.
9. The sofa in the living room must be opened and closed with care, as per the demonstration upon arrival. Please do not sit on the head of the sofa once it is opened. It is designed to take the weight of your head, not your whole body. If you do, it will break, and we will have to charge you for repairs.
10. Please be aware that we come to check the apartment every 2-3 days.
- II. A second emergency exit is from the master bedroom window.

Please respect our home and treat it with care. Go out, enjoy yourself and follow your nose to the world's best dining experience, right here at your doorstep.
